INCREASE IN SHARED DONATIONS IN 5 YEARS

Strategy 1: Customise Marketing by Geolocation
Segment donors by location to design specific and effective campaigns based on country laws.

Strategy 2: Segment Donors with RFM Analysis
Use RFM analysis to understand donor loyalty & improve personalised communication and social media engagement

Strategy 3: Focus on Preferred Donation Sources
Cater to donor's preferences such as securing credit card transactions due to high preference of online sources to align with donor preferences.

Strategy 4: Optimising Appeals for Donations
Focus on targeted online campaigns for high-affinity appeals, emphasizing individual donors. Leverage strong donor crossover and prioritize key countries like the US, Australia, and the UK to maximize impact.
